#### **USES**

The LOCKWOOD-MATHEWS MANSION MUSEUM may be licensed for meetings, social events, and cultural activities. Benefits for non-profit organizations at which items would be sold must have permission from the LOCKWOOD-MATHEWS MANSION MUSEUM Board of Directors and have the proper permits issued by the City of Norwalk and the State of Connecticut. Other uses of the property may be approved by the Lockwood-Mathews Mansion Museum on an individual basis.

### **FACILITIES**

The facilities being offered for use by its members include the Mansion itself or certain parts thereof and/or selected portions of the yard where tents may be installed.

Full house use as defined herein includes the first floor, including the veranda, restroom facilities and kitchen (See appendix A for house capacities and sample floor plans).

Conference room usage includes use of the Billiards Room and restroom facilities on the basement floor plus kitchen facilities on the first floor.

Tent usage includes two designated areas on the property. Staff can give information of locations of tent usage.

#### **GROUNDS**

As the Lockwood-Mathews Mansion Museum is in a municipal park of the City of Norwalk, the grounds are open to the public. Mansion usage allows for the use of the immediate surrounding grounds only. Member usage does not include the Mansion front/south lawns, or the area around the Gate Lodge, Carriage House, which are privately licensed. Any use of these areas which result in the need for cleanup will be charged at the regular cleanup fee as stated in page 1 (Schedule of Rates) of this Member Usage Contract. Tents may be erected for events during the week or on weekends and may be on site prior to or subsequent to the event for which they are intended. Therefore, a tent may be on the grounds during your use from a prior or subsequent use. These designated tent areas, therefore, may not be available to you unless you have been specifically reserved as a tent rental.

### **APPOINTMENTS**

If you wish to view the Mansion or visit the Mansion with your caterer, florist, etc, an appointment must be made with the Lockwood-Mathews Mansion Museum office staff at least 24 hours in advance. Appointments are made on weekdays between the hours of 10am and 4pm. Please note: Our office closes at 5pm each weekday. Therefore, allow sufficient time when making such appointments to conclude your business by that time. There is a limit of 3 visits included in the initial contracting signing, afterwards any additional meetings will cost \$100 per meeting. The Mansion schedule varies on the weekdays due to events, cleaning,

and repair schedules. Please respect the fact that we may have a very limited staff. We wish to give the best possible service to all users as well as potential users of this establishment.

### **RESERVATIONS/PAYMENTS**

Reservations are accepted up to 24 months in advance with rates guaranteed at least 12 months in advance. A reservation is established when the Lockwood-Mathews Mansion Museum Application for Member Usage has been fully executed by the applicant and accepted by the duly authorized agent of the Museum. All applications must be accompanied with the full payment. This payment automatically becomes non-refundable three business days after it is received. As down payments are based upon the rate in effect at the time the application is made, if the license fee is increased the Museum may require that any balance due on the adjusted down payment be made at that time. Bookings will not be done on a hold basis nor a date committed by the Museum unless the formal application is presented and accepted. The insurance certificate/application is due to the Lockwood-Mathews Mansion Museum 60 days prior to the event. Any failure to complete all parts of the application process may result in the termination of the reservation.

### RESPONSIBILITY

The individual who signs the application for use of the Mansion assumes all responsibility for the facility and will be noted as "User" in this text. All payments, correspondence, insurance certificate/application and hold harmless, and communications regarding the use of the Mansion will be made through this individual.

In order to qualify for the Norwalk Resident/Taxpayer rate, the User must be a Norwalk resident or own real property in Norwalk. The User will be required to sign a form acknowledging the he and/or she is not acting on behalf of any other individual in signing this contract. At the time the Application and Agreement for Member Usage is signed, the User will need to present a drivers license, current tax bill or lease of a Norwalk residence. In the event that it is determined that the User is in fact acting on behalf of others, the Authority reserves the right to terminate this contract as fraudulent and/or take other actions as it may deem appropriate.

User may also appoint a Designated Representative. The Museum office will notify this individual of damages or charges against the security deposit in the event that they are unable to contact on the User's behalf if so desired. The Lockwood-Mathews Mansion Museum has the right to rely on the Designated Representative's authority with all powers and responsibilities as set forth in the Agreement until otherwise notified by the User.

### PERIODS OF MEMBER USAGE

The Museum is open for tours Wednesday-Sunday from Noon-4pm. Only under unusual circumstances will the Museum close for a member usage or special event. Event usage is quoted for a period of not more than 9 hours of continuous use without additional charge.

Member usage begins at 4pm with curfew at 1am. Curfew for a Saturday usage is 1am. Curfew for a Sunday usage is Midnight.

For weekday usage, User may set his own hours of use within the following guidelines: Daytime hours (Monday-Thursday) begin at 8am and end a 4pm. Evening hours (Monday-Thursday) begin at 5pm with curfew at Midnight.

User hours begin at the time the Mansion is opened for any reason: i.e. deliveries, florists, caterers, and other activities and does not conclude until the User, guests, caterers, and help (including clean-up) have left the Mansion. Exceeding these hours will result in additional charges as set forth in the attached schedule of rates. These additional charges will be deducted from the security deposit before mailing.

#### **FEES**

The fees for the various facilities offered by the Mansion are set forth on the schedule of rates attached hereto and made a part thereof (see page 1). This schedule will be reviewed annually in October. Any change in rates shall become effective on January 1st of the following year. There will be no changes made to the fees imposed for existing contracts which are to be completed within 12 months from the change date. All checks must be payable to the Lockwood-Mathews Mansion Museum of Norwalk, Inc. The mailing address is 295 West Avenue, Norwalk, CT 06850. All returned checks are subject to a \$25 fee.

#### SPECIAL WEEKEND HOURLY LICENSE

A special weekend hourly rate category has been established by the Lockwood-Mathews Mansion Museum to accommodate smaller functions such as meetings, rehearsals, showers, christenings, and birthday parties. Qualifications for this special weekend hourly rate (listed on page 1) requires licensing of the facility for not less than one hour and not more than five hours. However, one additional hour may be purchased for clean-up only. Please note: If the use of the Museum during a weekend hourly license exceeds the six hour timeframe, the user automatically reverts to the nine hour time full day license fee for either the Norwalk Resident rate or the Non-Resident rate, depending on the user's status. See page 1 for fee schedule. Reservations for this special category are accepted no more than 60 days in advance.

### **SECURITY DEPOSIT**

A refundable security deposit is required 60 days prior to the license date. The deposit is to guarantee the satisfactory clean-up of the facilities and equipment, to cover any damage that may have been caused by the User, guests, caterers, or help (including clean-up), and to cover any other charges that may be imposed under these rules and regulations. Since the Museum does not normally pursue specific claims against caterers, florists, guests, and help, any such charges caused by them which occurred during the User's event will be deducted from the security deposit. In the event proposed charges are to be made against the security deposit, the Museum will make every effort to contact the User or the Designated Representative on the first business day after the event. A written notification of the Museum's intent to charge

the security deposit shall be mailed to the User within 5 working days. The net security deposit refund will be mailed to the user within thirty (30) working days after the event or, if applicable, when all charges have been determined, whichever is later. Charges in excess of the security deposit will be billed separately and, if not paid within 30 days, appropriate legal action will be taken. User will be liable for al costs of collection including reasonable attorney's fees to pay this debt.

### **CANCELLATION OF EVENT**

Use of the Lockwood-Mathews Mansion Museum is considered cancelled when the Museum receives a prescribed cancellation form fully executed by the User or the Designated Representative. The date of receipt of this form by the Lockwood-Mathews Mansion Museum is the date of cancellation.

If however, under certain circumstances whereupon the User had failed to complete all parts of the application process within the time period permitted or, in the opinion of the Lockwood-Mathews Mansion Museum's Authorized Representative or the Director of the Board, the actions or comments of the User are such that it can reasonable be determined that the User has failed or refused without good cause to excuse and return the prescribed cancellation form, then the Lockwood-Mathews Mansion Museum Authorized Representative or the Chairman of the Board may terminate the User's event by complying with the following procedure:

The Museum shall send a letter via certified mail return receipt requested to the User at the address indicated on the reservation form. This letter shall explain in detail what actions the User has failed to take in accordance with the rules and regulations set forth herein or upon what circumstances the Museum feels the User has indicated his or her desire not to go forward with the transaction. The User shall have a period of fifteen (15) days from the receipt of this letter to either cure the defect or inform the Museum that he or she fully intends to continue with the reservation. Should the User fail to respond or fail to correct a discrepancy within this fifteen (15) day period, the reservation shall be cancelled effective that date and all of the other terms and conditions concerning cancellation and refund of payment shall apply.

### **REFUND OF PAYMENTS**

If your use of the facilities is cancelled within 3 working days after your Application and Agreement for License is fully executed and accepted, the payment shall be refunded. If your use of the facilities is cancelled subsequent to your three day Right of Rescission, the payment automatically becomes non-refundable and shall be forfeited.

If your use of the facilities is postponed due to the death of or a bona fide emergency medical problem of you or your actual/proposed spouse, parents and/or children of either you or your actual/proposed spouse (which documented to the complete satisfaction of the Lockwood-Mathews Mansion Museum), the following additional refund policy shall apply: (1)

No decorating of any kind will be permitted on or attached to any historic surface including, but not limited to: walls, floors, mirrors, woodwork, furniture, and light fixtures. Decorations may be placed on tables that are not part of the Museum's collections. Mantels and sideboard surfaces must be buffeted and protected. The use of scotch tape, staples, nails, and other fastening materials is prohibited. All decorations shall be removed upon the termination of the event. The veranda may be decorated with lights, flowers, etc, but must fall under the above rules with regards to fastening materials and prior approval of the Lockwood-Mathews Mansion Museum.

In order to protect the Museum from fire hazards, the Museum has adopted a no-flame policy, which includes all use of sternos and candle warmers. If candles are used in a tent, they must be totally enclosed and protected by approved glass hurricanes and appropriate saucers must be provided to catch any dripping wax. The User and his caterer will be required to sign a form acknowledging the Rules and Regulations regarding custodial services, cleaning responsibilities, recycling procedures, house supervision, and inventory. The User shall be held responsible for the activities and actions of the caterer during the User's event. The Authorized Representative of the Museum must approve all caterers in advance. The Lockwood-Mathews Mansion Museum reserves the right to prohibit/refuse permitting certain catering entities from utilizing the Mansion facilities based upon their demonstrated failure to comply with these rules and regulations. Please check with the Museum staff as to the caterers who are no longer permitted to utilize the Mansion facilities before making your final decision.

The requirements below were made to insure the safety and well being of all attending functions of any type at the Lockwood-Mathews Mansion Museum in accordance with State and local governmental health agencies. While the following covers most events held at the Lockwood-Mathews Mansion Museum, certain events may require a permit be obtained by the User from the Health Department. The Museum Staff will assist you with your particular event to insure that the proper procedures are followed.

If the User fails to provide said license and information prior to the event, the Museum has the right to determine the action that needs to be taken in order to comply with the Health Department's regulations including the termination of the event for failure to comply.

Users who are not hiring a caterer but providing their own food (e.g. a pot luck dinner) need to be aware that food served must be wholesome and handled in a safe and proper manner to prevent food borne illness. This is particularly important in the transportation and service of prepared foods. Care should be taken to ensure that proper equipment be used to safely prepare and maintain foods at a safe temperature. Information can be obtained by calling the City of Norwalk Health Department.

The User, by assuming this responsibility, agrees to hold the Lockwood-Mathews Mansion Museum and the City of Norwalk harmless from any cause of action on claim made as a result of any failure to maintain sanitary standards.

The Museum does have a list of Preferred Caterers, who have catered functions at the Museum before and are aware of the Museum's Rules & Regulations. Please see below for a list of our Preferred Vendors.

The Museum has a flat fee for vacuuming and bathroom clean-up.

The House Supervisor will also make sure that the House is setup exactly as defined on the approved floor plan and that all decorations comply with the Rules and Regulations.

At the beginning of the event, the House Supervisor will go over a check list the User, caterer, and/or their agent to ensure all details of the agreement are completed. The user, caterer, and/or their agent will also sign the inventory checklist. The User is responsible for leaving the Mansion, including the kitchen, furniture, tables/chairs, and lawn in the same condition in which they were found. The House Supervisor will be available to perform a general review of the House rules and regulations pertaining to adequate cleanup of the facility and damages to the facility and/or its equipment and furnishings subsequent to the User's event. The Museum reserves the right to inspect the facility on the first business day after the User's event and to point out major discrepancies.
